Letter Fold

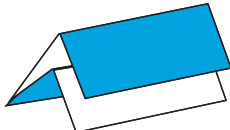

Z-Fold

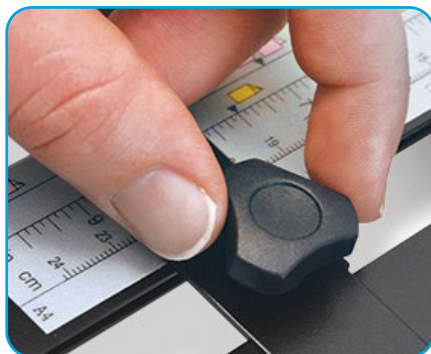

Half Fold

Double Parallel Fold

Adjust Knobs

Manual Feed

The **Martin Yale® Premier Premier RapidFold P7400** is an ideal choice for entry-level paper folding in mailrooms, offices, churches or clubs. It can fold up to four popular fold styles including the letter fold, half fold, z-fold and double parallel fold.

The **Premier P7400** also includes a manual bypass slot that lets you manually fold up to three sheets of stapled or unstapled paper at once. An auto jam detector and auto shut off are built into the **P7400**. The feed tray can hold up to 50 sheets of paper at a time.
